Dissemination and Implementation Training and Funding Opportunities

Tuesday, October 21, 2025
12 - 1pm (CT)
via Zoom

Join us on **Tuesday, October 21 from 12–1 PM (CT) via Zoom** for an inside look at current training and funding opportunities in Dissemination and Implementation science. **Dr. Bertha Hidalgo** will share details about the CCTS D&I T32 postdoctoral training program, and **Dr. Lisa Zubkoff** will present an overview of extramural Dissemination and Implementation funding mechanisms.

Whether you're new to Dissemination and Implementation science or ready to take the next step in your research, this session is a valuable resource for career planning and proposal development. Register today and join the conversation!
