EHSA – Create Waste Profile

If EHSA notifies you of an existing worker record for your BlazerID, click **Yes**

The screenshot displays the UAB EHSA system interface. At the top, a modal window titled "Existing Worker Information" is open. It contains the text: "A worker record already exists for Blazer ID Type : ACB. Please click 'Yes' if your name is BOYCE, CLAY and then verify all entered data. If not please click 'No'." The "Yes" button is highlighted with a red square. Below the modal, the main page is titled "Welcome to the UAB EHSA Page" with version "v2.0.8369.24503". A message box states: "Your credentials are valid, however your user ID (acb) is not yet configured in EHSA.(Ref#006) For questions regarding the EHSA System, please contact the site administrator at gunnells@uab.edu". Below this is a "Add a Message! Links are supported. Click Here" button. Further down, a message says "User credentials not found Please contact the site administrator at gunnells@uab.edu". At the bottom, there are three main action buttons: "Create Waste Profile" (green), "Worker Registration" (blue), and "New PI" (red), each with a corresponding description.

The screenshot shows a web application interface for 'Waste Pickup Request'. At the top, there is a navigation bar with 'EHSA Waste / Waste Pickup Request'. Below this is a toolbar with several buttons: '+ Add a Waste Request', 'Edit a Waste Request', 'Delete a Waste Request', 'Duplicate Waste Request', and 'Request Pick-Up'. There are also dropdown menus for 'Labels and Waste Request Reports', 'Status: Not Completed', and 'Review Status: ***Show All***'. Below the toolbar, there is a text prompt: 'Drag a column header and drop it here to group by that column'. The main area contains a table with the following columns: 'Completed', 'Review Status', 'Request Date', 'Request Number/Container #', and 'Contents'. Each column header has a small dropdown arrow. The table is currently empty.
