CATME Activating Your Student Account

Student accounts are automatically created by your instructor. If you already have a student account, your new class will automatically be added to your account.

If this is the first time you have participated in CATME, you will receive an automatic email to finish setting up your account. Please follow the instructions below to finish setting up your student account.

Activating your Student Account

1. Once you receive the automatic email, follow the embedded unique URL [1].

Subject: Welcome to the CATME system!

Welcome to CATME!

We are using the Comprehensive Assessment of Team Member Effectiveness (CATME) instrument in eLearning for the Spring 2018 term. This system allows me to conduct surveys to gather your assessment of the other students you will be working with on team-based projects.

As a new user in this system, you must set up your initial password that you will use when logging in. To set up your password please go to

<https://www.catme.org/login/setup?murl=dhj124DtgIE1245AJJhd126L14Qo36>

Note that you must choose a password of at least six characters. Also you must use the email address studentemail@uab.edu when setting up your password.

You will receive future emails from the system when it is time for you to fill out surveys about projects in this course.

2. Enter your official UAB email in the **Email Address** subscription field [1]. In the **Password** fields [2], enter a password and click the **Submit** button [3].

The screenshot shows the CATME 'Create New Password' form. At the top, there is a logo for CATME (SMARTER Teamwork) and links for 'Help' and 'Logout'. The form title is 'Create New Password'. Below the title, there are three input fields: 'Email Address: (for verification)' containing 'studentemail@uab.edu', 'Password: (at least 6 characters)', and 'Confirm:'. A blue 'Submit' button is located below the password fields. A link 'Already have a password?' is positioned to the right of the 'Submit' button. Three red arrows with black circular callouts (1, 2, and 3) point to the email field, the password fields, and the 'Submit' button, respectively.

1 → Email Address: (for verification) studentemail@uab.edu

2 → Password: (at least 6 characters) ●●●●●●●●

Confirm: ●●●●●●●●

3 → Submit
