TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

Team Building Essential: Research Orientation Program (ROP) for those new to clinical research roles | This virtual, one-session, high-level overview of how to implement a sponsored or investigator-initiated clinical study is ideal for young investigators and research staff who are new to clinical research. Want a refresher course? ROP emphasizes key aspects of a clinical trial. **Jan. 30, 9am-12:30pm via Zoom. [Register by Jan. 24.](#)**

The Clinical Investigator Training Program (CITP) – Apply today! | CITP is a hands-on didactic and pragmatic training and education program to prepare new investigators in the conduct and implementation of human subject research. The upcoming training consists of five Tuesday afternoon sessions (1-5 PM) held **virtually beginning Feb. 4. [Submit your application by Jan. 31.](#)**

2025 Core Day Resources | Did you miss last week's Core Day presentations or need to review a poster from the event? Posters from organizations that participated are available now on the Core Day website. **[Learn more about UAB's core and shared resource facilities](#)** that are available to assist with your research needs.

Thank you for reading!
