TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

ACTion Learning: The Art of Reconsenting | Navigating reconsent can be challenging—are you prepared to clearly explain study changes and ensure participant understanding? Join this interactive, actor-driven workshop where you will observe real-world scenarios and refine strategies for effective reconsenting. No role-play required—just engaging, hands-on learning for clinical research professionals of any level. **In-person event, March 6, 12-1pm, in Bevill (BRBB) Room 170.** [More info, register now.](#)

Research Orientation Program (ROP), for those new to clinical research roles | This virtual, one-session, high-level overview of how to implement a sponsored or investigator-initiated clinical study is ideal for young investigators and research staff who are new to clinical research. Want a refresher course? ROP emphasizes key aspects of a clinical trial. **March 13, 9am-12:30pm via Zoom.** [Register by March 7.](#)

Mark your calendar for CCTS Lunch and Learn! | Don't miss the next CCTS Quarterly Lunch & Learn on **April 8th from 11:30am-1pm via Zoom.** Make sure someone from your team tunes in so that you are aware of the latest, most critical clinical research updates. [Register now.](#)

Thank you for reading!
