# TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

---

-  **Design the Future of Translational Science Training!** | Your unique insights on the knowledge and skills needed to optimize translational science outcomes will directly inform future educational initiatives. We invite you to participate in the "*Educate to Achieve (E2A) Optimal Health Outcomes*" study led by Case Western Reserve University. Participation involves one brief online survey; compensation is provided. [Learn more and participate.](#)
  
-  **Breaking the Boundaries Symposium - Register today!** | Join fellow investigators, clinicians, and community leaders for a two-day symposium focused on transforming health research and clinical practice. Explore funding priorities, collaborative models, and practical strategies to improve health outcomes. **June 9-10 in New Orleans.** [Learn more and register.](#)
  
-  **Research Orientation Program (ROP), for those new to clinical research roles** | This virtual, one-session, high-level overview of how to implement a sponsored or investigator-initiated clinical study is ideal for young investigators and research staff who are new to clinical research. Want a refresher course? ROP emphasizes key aspects of a clinical trial. **May 22, 9am-12:30pm via Zoom.** [Register by May 16.](#)
