TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

Ready to take the lead on multisite trials? | The Trial Innovation Network (TIN) is now accepting applications for its 2025 Training Program for Multicenter Clinical Trial Management. This virtual, cohort-based series features asynchronous modules and live discussions led by experienced trialists. Open to investigators and project managers transitioning from single-site to multicenter trials. [Learn more and apply by May 30th.](#)

The Art of Informed Consenting and Reconsenting | Did you miss the last Research Seminar Series (RSS) presentation on informed consenting and reconsenting presented by the CCTS Clinical Research Support Program (CRSP)? The video is now available on the CCTS Video channel. [Watch it now.](#)

Overcome transportation barrier for participants | Uber Health provides rides to qualifying participants to/from research visits, utilizing P-Cards to schedule and pay for rides. [Read more](#) to find the relevant documentation to implement it within your research unit. For additional questions or to set up your initial account, please contact [Mark Marchant](#) at 205-934-2098.

Thank you for reading!
