TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

 **RISE: Mastering Collaborative Research Leadership** | The CCTS presents RISE Leadership Development, an 11-week, in-person program designed to equip clinical research staff professionals with leadership skills for team-based research. Starting September 8th, RISE will cover key leadership concepts, interpersonal effectiveness, and trust-building strategies. Open to clinical research staff professionals at [Career Ladder](#) Levels 3 and 4 and Managers/Directors. **Mondays, 1-3pm, in SHEL 105.** [Read more and apply by July 1.](#)

 **Improve Your Study Design with Participant Feedback** | Learn how the ResearchMatch Expert Advice Tool can help you enhance recruitment and retention by integrating input from potential participants. This Trial Innovation Network-hosted event takes place **Wednesday, June 18, from 11am–12pm (CT) via Zoom.** [Learn more, register now.](#)

 **Up your game this summer with free trainings on essential research tools** | Join librarians from UAB Libraries' Clinical, Academic and Research Engagement team to learn PubMed, EndNote, and CINAHL – all available at no cost to faculty, staff and student researchers. Workshops are available through Aug. 12; [see a full list online.](#)
