TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

Decentralized Trials: Building the Evidence & Tools for Success | On **August 6 from 12-1 PM** the first session in a new national webinar series explores the evolving science of decentralized clinical trials and offers tools you can use now. Presenters will share insights from the RISE trials and highlight resources to prevent fraud, improve recruitment, and support remote data collection. [Learn more.](#)

Strengthening Data Integrity in Digital Health Studies: A Layered Approach to Combating Fraud in Online Recruitment | Presented by the Trial Innovation Network (TIN), this presentation will explore clinical trial strategies developed to address challenges in virtual research. Strategies span from single-session surveys to multi-phase national randomized controlled trials. Attendees will learn techniques for detecting suspicious patterns, verifying participant eligibility, and safeguarding data integrity. **August 4, 11am-12pm via Zoom.** [Learn more.](#)

Share Your Science at the 2025 CCTS Translational Science Symposium (TSS25) | Join colleagues from across the [CCTS Partner Network](#) for interactive sessions, workshops, networking opportunities, and the popular 3-Minute Thesis (3MT) competition. Take advantage of this incredible opportunity to disseminate your research to a lively and engaged audience and [submit for 3MT consideration](#). **Oct. 30-31 in Gulf Shores, Alabama.** [More info, register now.](#)
