TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

Research Seminar Series (RSS) Returns Next Week! | Join us via Zoom on **September 4th** for the return of the [Research Seminar Series \(RSS\)](#), offered on the first and third Thursday of each month, featuring brief presentations on key topics such as clinical trial recruitment, informed consenting, HIPAA regulations, and more. **Sept. 4, 12-1pm via Zoom.** [Register now.](#)

Funding Opportunity: Clinical & Translational Science Pilot Program | The CCTS Partner Network invites applications for its pilot program, designed to address a roadblock in science and/or operations that limits translation into improved health and healthcare delivery. **Pre-applications are due October 25, 2025.** [Learn more.](#)

New! Informed Consent Guidance Manual Available on TIN Toolbox | The Trial Innovation Network has released a new *Informed Consent Guidance Manual* to help study teams support a person-centered consent process. This resource offers best practices for improving participant comprehension and promoting informed, voluntary decision making. [Access the manual now.](#)

Thank you for reading!
