

DREAM Mid-Career Award for Excellence in Research

APPLY NOW

The DREAM Mid-Career Award for Excellence in Research recognizes outstanding research achievements by DOM faculty at the mid-career level (Associate Professor). This award recognizes researchers who have gained national recognition for important research discoveries over their scientific careers.

ELIGIBILITY

The DREAM Mid-Career Award is given annually to faculty with a primary appointment in the DOM at the level of Associate Professor.

Qualified candidates will demonstrate a sustained track record of outstanding research achievements at their career stage.

The candidate should also demonstrate research excellence both as an investigator and through collaborative and multidisciplinary research initiatives.

In addition, qualifications may further include substantial mentorship of others in research and professional service activities involving research.

SUBMISSION DEADLINE

Friday, March 6, 2026, 5:00 p.m.

SUBMISSION REQUIREMENTS

UAB-formatted CV that contains demonstrated evidence of research accomplishments including, but not limited to:

- Important contributions to scientific achievement
- Track record of sustained research funding, which may include individual, group, programmatic, and multidisciplinary projects
- Service to national and/or international research organizations
- Substantial and meaningful mentoring of students, residents, fellows, junior faculty, and/or other trainees in research
- Direct experiences, research, and/or scholarship contributions to increasing the participation in research with wide-ranging perspectives and life experience

Please note that any UAB faculty member may nominate, applicants may self-nominate, and more than one person from a division is eligible to apply.
