# Immunizations

Before you register in nursing courses for classes, you must upload a number of medical records in the UAB Student Health and Wellness Patient Portal. Students can access the Patient Portal from the right side navigation on their BlazerNet homepage.

Please begin locating your medical records immediately to help determine if you need to initiate immunizations to comply with our program requirements. Some immunizations take time to complete. Any instance of an incomplete immunization prior to school starting may prohibit you from attending clinicals.

BSN-DNP NP students are required to satisfy **the Level 3 Immunization requirements** for clinical students.

<https://www.uab.edu/students/health/immunizations/level-3>

**All immunization records and forms must be uploaded in the Patient Portal on the UAB Student Health and Wellness website. If you have questions about what documentation is required, please submit your questions to the UAB Student Health and Wellness Office while you are logged into their Patient Portal.**

## Medical Clearance/Immunization Requirements

We recommend you submit requirements and plan to complete any missing portions as soon as possible. Medical clearance compliance will be required prior to starting classes. Please contact UAB Student Health with any questions via the Patient Portal.

## Drug Screen & Background Check

All BSN to DNP NP students in the School of Nursing are required to consent to and pay for a criminal background check and urine drug screening at least once per year.

You will receive an email (sent to your UAB.EDU email address) requesting you to complete a background check. The email will come from [UABSchoolofNursingDNP@screening.services](mailto:UABSchoolofNursingDNP@screening.services), DISA Global Solutions Inc.. The cost of the background check is \$92.

Approximately 24 hours after you order and pay for your background check, you will receive an email from [OTSWEBAPP@Labcorps.com](mailto:OTSWEBAPP@Labcorps.com), LabCorp. This email will contain your registration number to complete your drug screening.

**The deadline to complete both the background check and the drug screening is 10 business days from the date of the first background check email you are sent, unless you are notified of a change in the deadline. It is recommended that you order and pay for your background check within 3 days of receiving the email from [UABSchoolofNursingDNP@screening.services](mailto:UABSchoolofNursingDNP@screening.services).**

Please remember your UAB email account is one of the official forms of communication for UAB. If your UAB email account is forwarded to another email account, please be aware that important emails may be filtered into your junk, spam, or other folder. You are responsible for checking your UAB email. Any correspondence missed because you forwarded your UAB email to a different email account (Yahoo, Gmail, etc.) will not excuse you from complying with these requirements.

During this process, either company may attempt to reach out to you by phone. Please answer all calls until this process is complete, as the testing centers may need additional information from you.

**Please Note:** Missing these important deadlines may jeopardize your seat in the program. The School of Nursing may rescind your admission offer for BSN-DNP NP Pathway if you fail to comply with these requirements. Please be diligent and complete the background check and drug screening requirements in a timely fashion.

In addition, the email with results will come from [DISAGlobalSolutionsInc@screening.services](mailto:DISAGlobalSolutionsInc@screening.services). Please let me know if you have any additional questions!

Staffing and supply shortages have increased the wait time on the return of your background check/drug screen results to UAB Nursing Student Success. The hold on your account will be removed as soon as we have clearance from DISA. Please know that there is a seat available for you to register in your classes. We request your continued patience and understanding in this process.
