Post-MSN Plan for Coursework

INSTRUCTIONS TO DETERMINE YOUR PLAN FOR COURSEWORK

The Post-MSN Plan for Coursework (PFC) is your agreement between you and the School of Nursing. Plans for coursework are developed ahead of time to help ensure there is space available in each course and to provide a seamless flow through the post-masters coursework. Though you have previously completed an MSN in another area of study, a thorough evaluation must be done of your previous graduate nursing core/support coursework to determine if any courses will be required in addition to the advanced practice coursework.

At minimum the post-masters plan for coursework should take 4 semesters to complete; however, this is subject to change. If additional coursework is necessary the length of the plan for coursework could take longer. The approach for this review takes into consideration current standards for post-masters education against the current role of the Nurse Practitioner as required by our certifying bodies (CCNE, AACN, etc). Your specific plan for coursework will be sent to you once this review is completed.

Please complete one of the following steps:

1. We will need a copy of the course syllabi and topical outline from the semester/year for each graduate level nursing core/support courses you have previously taken to determine **equivalency** for UAB MSN core/support NP coursework. A grade of B or better will be required in each course. Equivalency will need to be verified for the following core/support nursing courses:
 - NUR-737: Interprofessional Leadership and Role Development for Practice (3 semester credit hrs)
 - NUR-735: Population Health in Advanced Practice Nursing (3 semester credit hrs)
 - NUR-729: Evidence-Based Practice Design and Translation (3 credit hrs)
 - NUR-612: Advanced Pathophysiology (3 semester credit hrs)
 - NUR-613: Pharmacology and Therapeutics (3 semester credit hrs)**
 - NUR-614: Assessment and Diagnostic Reasoning for Adv Nursing Practice (3 semester credit hrs)

NOTE: Previous UAB SON students will not need to submit UAB MSN course syllabi, since we have these syllabi.

2. Updated official transcripts will need to be sent to the UAB School of Nursing (if applicable) if you were finishing up your previous MSN at the time of application to post-masters study.
3. Complete and submit one of the following forms located on the School of Nursing website, www.uab.edu/nursing, under "Academics" then "Degree Programs" and then "Student Forms" on the right side of the Degree webpage. (www.uab.edu/nursing/home/nursing-quicklinks/catalogs/115-frontdoor/prospective-student/443-current-student-forms)
 - A. "Request for Approval and Transfer of Graduate Level Coursework" (one form per course and also include a course syllabi for non-UABSON courses)

OR

 - B. "Request for Non-degree Credit to be Accepted as Graduate Credit" (used for UAB graduate nursing non-degree credit courses only)

Previous coursework assessments can take up to 4 weeks for complete course requests to be considered for equivalency decision for PFC determination. Start this process as soon as possible. Please send all documentation as one packet by email to Mr. John Updegraff at jupde22@uab.edu or by fax to 205-934-5490.

****NUR-613 Pharmacology Additional Requirement**

Students must have successfully completed NUR 613 (or any course deemed equivalent) within 2 years of starting advanced specialty coursework **OR** be a currently practicing as nurse practitioner and provide sufficient evidence that they are prescribing medications in the population of interest (e.g. across the lifespan).

For questions please contact Mr. John Updegraff at jupde22@uab.edu or by phone at 205-975-3370.

Drug Screen & Background Check

All MSN NP students in the School of Nursing are required to consent to and pay for a criminal background check and urine drug screening at least once per year.

You will receive an email (**sent to your UAB.EDU email address**) or text (mobile number on file) requesting you to complete a background check. The email will come from UABSchoolofNursingMSN@screening.services, Global HR Research. The cost of the background check is \$92.

Approximately 24 hours after you order and pay for your background check, you will receive an email from **OTSWEBAPP@Lacorps.com**, LabCorp. This email will contain your registration number to complete your drug screening.

The deadline to complete both the background check and the drug screening is 10 business days from the date of the first background check email you are sent, unless you are notified of a change in the deadline. It is recommended that you order and pay for your background check within 3 days of receiving the email from UABSchoolofNursingMSN@screening.services.

Please remember your UAB email account is one of the official forms of communication for UAB. If your UAB email account is forwarded to another email account, please be aware that important emails may be filtered into your junk, spam, or other folder. You are responsible for checking your UAB email. Any correspondence missed because you forwarded your UAB email to a different email account (Yahoo, Gmail, etc.) will not excuse you from complying with these requirements.

During this process, either company may attempt to reach out to you by phone. Please answer all calls until this process is complete, as the testing centers may need additional information from you.

Please Note: Missing these important deadlines may jeopardize your seat in the program. The School of Nursing may rescind your admission offer for MSNNP Pathway if you fail to comply with these requirements. Please be diligent and complete the background check and drug screening requirements in a timely fashion.

Staffing and supply shortages have increased the wait time on the return of your **background check/drug screen** results to UAB Nursing Student Success. The hold on your account will be removed as soon as we have clearance from **GHRR**. Please know that there is a seat available for you to register in your fall classes. We request your continued patience and understanding in this process.

ONE CARD

Dear Summer 2024 Cohort:

All students need to visit the following website to submit a ONE Card photo prior to coming to campus for the MSN Orientation. To do so, please visit the following website: <https://campuscard.uab.edu/bbapps/photosubmit/>

You will be required to have a BlazerID to complete this process. This process could potentially allow for us to have all cards printed and ready to distribute when you arrive on campus. For those that fail to submit photos ahead of time, they will still need to get their picture made and their card printed. **UAB employees do not need to submit a new picture or obtain a new ONE Card. Make sure your full name is correct in BlazerNet so that it will show up on your ID correctly.**

DO

- Submit current color photo in jpg format
- Use a White/Off-White wall as a solid background
- Center and front view of full face
- Crop just above the top of the head to the collarbone
- Wear prescription glasses if you normally do so
- Limit photo size to .75 MB or 768KB

DON'T

- Wear hats, sunglasses or other items that obscure the face
- Submit with glare on glasses or shadows
- Include visible people or objects
- Use inappropriate expressions
