Note: All application materials MUST be received by the published deadlines in order for the application to be considered.

DISTANCE ACCESSIBILITY & YOUR STATE

The *Doctor of Philosophy in Nursing (PhD)* can be completed on-campus or in a distance-accessible format. Applicants who plan to complete any of our distance-accessible programs should become familiar with the regulations governing distance accessible programs in their state. Prospective students residing in states other than Alabama should contact their state’s Board of Nursing and Department of Education for specific rules and regulations pertaining to completion of clinical learning experiences in that state when enrolled in a distance accessible program. The ability to conduct course work is only guaranteed for students in Alabama and in states with an established agreement.

To check on the status of your state, please [click here](#).

Please follow the instructions carefully.

Please review these instructions/checklist carefully for required Doctor of Philosophy in Nursing (PhD) admission information and note that your application will not be considered until all required items are completed for the processing of your UAB PhD application. Missing information will delay or disqualify your application.
