INTRODUCTION

DEAN'S WELCOME MESSAGE

Welcome to the University of Alabama at Birmingham School of Health Professions where you are joining a legacy of excellence!

We are one of the six schools comprising the renowned UAB Academic Health Center. We offer more than 30 programs and 40 offerings at the certificate, baccalaureate, master's, and doctoral levels. And we are home to nearly 3,000 undergraduate and graduate students.

You came here for an outstanding education, and we provide exactly that. However, **only you** can control whether you will become an excellent professional. To do so, you must challenge yourself every day and take advantage of all our vast resources, state-of-the-art facilities and research opportunities during your academic and clinical education. You also need to make the most of your access to the world-class faculty who are here to teach and support your journey. You didn't enroll here to be to be an amateur. You came to become a professional, and not an average one. I encourage you to become a "Pro" and an excellent one at that. Own it, live it, excel at what you do, and make both us and yourself proud.

I look forward to seeing you grow in your respective fields and watching you become the leader we know you can be.

Go Blazers!

Mark Merrick, Ph.D., AT, ATC, FNATA, FNAP, FASAHP
Dean, UAB School of Health Professions

OVERVIEW OF THE SCHOOL OF HEALTH PROFESSIONS

The UAB School of Health Professions (SHP) is one of the largest academic institutions of its type in the United States. What began in the 1950s as a collection of training programs in various para-professional disciplines has grown into an internationally recognized center of academic and research excellence.

Today, we have five academic departments – Clinical and Diagnostic Sciences, Health Services Administration, Nutrition Sciences, Occupational Therapy, and Physical Therapy – that are housed in four buildings: Susan Mott Webb Nutrition Sciences Building (WEBB), Learning Resource Center (LRC), the School of Health Professions Building (SHPB), and the Center for Biophysical Sciences and Engineering (CBSE).

We are proud of many accomplishments including:

- *U.S. News & World Report* ranks all eligible SHP programs in the nation's top 25.
- Research funding is at an all-time high of \$26+ million and growing.
- Nearly 10 of our programs you will only find in Alabama at UAB.

- Our school has never been stronger or better positioned as a national leader in health professions education. And this status will only grow stronger as we continue to welcome students like you.

DISCLAIMER

This Handbook is an overview of general academic regulations specific to SOHP programs at UAB. Although UAB will make its best efforts to abide by this handbook, UAB reserves the right to interpret and apply its procedures and policies, and to deviate from these guidelines, as appropriate in the particular circumstances and in accordance with the mission and goals of the program. UAB also reserves the right to address issues not covered in this handbook and to make changes to the policy without advance notice. Changes become effective at the time the proper authorities determine so and the changes apply to both prospective students and those already enrolled. Please refer to our website for the most up-to-date version.

All students are responsible for knowing and abiding by the general University rules and regulations pertaining to studying at UAB and the specific academic requirements of their particular degree program. This Handbook is not intended to nor does it contain all policies or regulations applicable to students. Each student is responsible for familiarizing him/herself with the contents of this Handbook. Although the policies contained herein are intended to reflect current rules and policies of the University, users are cautioned that changes or additions may have become effective since the publication of this material. In the event of a conflict, current statements of Board policy contained in the Bylaws, Rules, official minutes, and other pronouncements of the Board or Chancellor, or superseding law, shall prevail.

This Handbook does not constitute a contract and may not be deemed or construed as part of any contract between UAB and any student or student representative.

IMPORTANT INFORMATION YOU SHOULD KNOW

Although UAB works hard to prepare students for future careers in their desired fields, employment and salaries are not guaranteed. Employment outcomes depend on a student's efforts and market conditions. Students are responsible for understanding their financial responsibilities. [Tuition costs can be found on this UAB website](#). Scholarships are competitive and not guaranteed. Admission to other graduate or professional programs is also not guaranteed. Advisors will provide students with guidance, but students are ultimately responsible for degree completion, and timelines for completion may vary based on individual circumstances.

SECTION 1 – SCHOOL AND UNIVERSITY INFORMATION

ACADEMIC CALENDAR

All dates related to registration, payments of tuition and fees, drop/add dates, other administrative requirements, and official school holidays are recorded on the [UAB Academic Calendar](#).

ACADEMIC INTEGRITY CODE

The University established a new Academic Integrity Code effective August 23, 2021. This Code, which applies to undergraduate, graduate, and professional students as well as all academic activities, defines academic misconduct and outlines procedures for breaches of the code. The Academic Integrity Code process is managed by the Academic Integrity Coordinator (AIC). In the School of Health Professions, the AIC is the Associate Dean for Academic and Faculty Affairs, and the office is located in SHPB 660. [You can see the full text of the Academic Integrity Code online.](#)

ADVISING

Undergraduate student advising is provided through advisors assigned to each program as well as through the Office of Student Services. Advisor and recruiter contact information can be found on the [Office of Student Services Website](#). Graduate student advising is provided through the SHP graduate programs.

AMBASSADORS

Ambassadors help to spread awareness of the School of Health Professions and its multifaceted undergraduate and graduate programs, serve as liaisons between the department and university-wide student organizations, and serve as a student voice in school and university committees. The SHP Ambassadors help to support the programs within the school that will impact recruitment and retention initiatives. [You can learn more about the SHP Ambassadors on their webpage.](#)

AskIT

AskIT is the technology help desk for faculty, staff, and students. You will be asked to supply your BlazerID when you request assistance. Contact them by phone at 205-996-5555 or [via email](#) or [visit the AskIT service portal online](#).

ATTENDANCE

Class attendance is expected in all SHP programs. Specific class, laboratory, or clinical site attendance requirements may be more stringent than university guidelines. Refer to the program requirements in this handbook and in course syllabi for policies. The UAB attendance policy is as follows:

The University of Alabama at Birmingham recognizes that the academic success of individual students is related to their class attendance and participation. Each course instructor is responsible for establishing policies concerning class attendance and make-up opportunities. Any such policies, including points for attendance and/or participation, penalties for absences, limits on excused absences, total allowable absences, etc., must be specified in the course syllabus provided to students at the beginning of the course term. Such policies are subject to departmental oversight and may not, by their specific prescriptions, negate or circumvent the accommodations provided below for excused absences.

The University regards certain absences as excused and in those instances requires that instructors provide a reasonable accommodation for the student who misses assignments, presentations, examinations, or other academic work of a substantive nature by virtue of these excused absences. Examples include the following:

- Absences due to jury or military duty, provided that official documentation has been provided to the instructor in a timely manner in advance.
- Absences for students who have approved disability-related absence accommodations through Disability Support Services may follow the reasonable number of absences outlined in their flex plan or as determined by the instructor. Students are responsible for notifying instructors of these and any other approved accommodations through their Notice of Accommodations letter.
- Absences due to participation in university-sponsored activities when the student is representing the University in an official capacity and as a critical participant, provided that the procedures below have been followed:
 - Before the end of the add/drop period, students must provide their instructor a schedule of anticipated excused absences in or with a letter explaining the nature of the expected absences from the director of the unit or department sponsoring the activity.
 - If a change in the schedule occurs, students are responsible for providing their instructors with advance written notification from the sponsoring unit or department.
- Absences due to other extenuating circumstances that instructors deem excused. Such classification is at the discretion of the instructor and is predicated upon consistent treatment of all students.
- Absences due to religious observances provided that students give faculty written notice prior to the drop/add deadline of the term.

In these instances, instructors must give students the opportunity to complete assignments in a way that corresponds as much as possible to the nature, scope, and format of the original. Options may include making up exams or other assignments, rescheduling student classroom presentations, or arranging for early or late submission of written assignments. The course make-up policy should be included in the syllabus.

BLAZERID / BLAZERNET / EMAIL

BLAZERID

All students receive a unique identifier, the BlazerID, established at [BlazerID Central](#). Your BlazerID is required for accessing BlazerNET and other campus resources. To activate one's BlazerID, select "Activate Accounts."

BLAZERNET

[BlazerNet](#) is the official portal of the UAB information network and is accessible from any Internet-accessible computer, on- or off-campus.

EMAIL

UAB student email is provided through Microsoft Office 365, a cloud-based system. Students have 50 GB of email space and 25 GB of free file 1 TB storage. The UAB email is the official communication medium for courses, news, information, and announcements. Students should not forward their UAB account to a personal email account. UAB is not responsible for information not received by the student due to the 'redirecting' of a UAB account to another email server.

BLAZER EXPRESS

The UAB Blazer Express Transit System provides transportation throughout the UAB campus. With a valid UAB ID badge, students can enjoy fare-free bus transportation. All buses are ADA-accessible and can seat approximately 35 riders. For an updated schedule, route maps, and hours of operation please [visit the Blazer Express website](#).

BOOKSTORE

There is one bookstore located on the UAB campus in the Hill Student Center. It offers a wide variety of products and services to students, including online purchasing and shipping. The bookstore stocks UAB memorabilia and college wear in addition to all required textbooks and course material. Visit [the UAB Barnes and Noble Bookstore online](#) for more details.

CAMPUS ONECARD

The UAB OneCard is the official university identification card. It is used for personal identification, for entry to campus events and the recreation center, for library checkout, and for other UAB services. It also serves as a declining balance card for the UAB meal plans and for Blazer Bucks accounts. Additional information is available on the [UAB OneCard website](#).

CAMPUS MAP

[UAB's campus map can be found online](#).

CAMPUS SAFETY

[Campus safety procedures and resources can be accessed online](#).

CANVAS LEARNING MANAGEMENT SYSTEM

The Canvas Learning Management System is the platform used for managing instructional materials online. Canvas course sites are accessed through BlazerNET or at the [UAB Center for Teaching and Learning website](#). Students should monitor their course sites routinely for communication from faculty and to manage course assignments.

CATALOG

The UAB Catalog is published annually and includes UAB's courses, policies, and curricula. Students can [find the Undergraduate or Graduate catalog online](#).

COMMUNITY STANDARDS AND ACCOUNTABILITY

[Community Standards and Accountability](#) is responsible for upholding the integrity and purpose of the University through the fair and consistent application of policies and procedures to students' behavior to ensure a community that respects the dignity and right of all persons to reach their highest potential. UAB Student Advocacy, Rights & Conduct (SARC) delivers programs and services in order to promote student safety and success, the pursuit of knowledge, respect for self and others, global citizenship, personal accountability and integrity, and ethical development. More information can be found at the [UAB SARC website](#). [The UAB student conduct code may be accessed online](#).

COUNSELING SERVICES

Student Counseling Services offers no cost, confidential counseling for UAB students related to physical, emotional, social, intellectual, or spiritual concerns. Student Counseling Services is located on the 3rd floor of the Student Health and Wellness Center at 1714 9th Avenue South. For more information, call 205-934-5816 or [visit the Student Counseling Services website](#).

DISABILITY SUPPORT SERVICES (DSS)

UAB is committed to providing an accessible learning experience for all students. If you are a student with a disability that qualifies under the Americans with Disabilities Act (ADA) and/or Section 504 of the Rehabilitation Act, and you require accommodations, please [contact Disability Support Services for information on accommodations, registration, and procedures](#). Requests for reasonable accommodations involve an interactive process and consist of a collaborative effort among the student, DSS, faculty, and staff. If you have a disability but have not contacted DSS, please call 205-934-4205 or visit [the DSS website](#).

If you are a student registered with Disability Support Services, it is your responsibility to contact the course instructor to discuss the accommodations that may be necessary in each course. Students with disabilities must be registered with DSS and provide an accommodation request letter before receiving academic adjustments. Reasonable and timely notification of accommodations for the course is encouraged and provided to the course instructor so that the accommodations can be arranged.

EMERGENCIES

Report suspicious or threatening activity to the UAB Police Department immediately. Law enforcement officers are available 24 hours, seven days a week. Also, more than 300 emergency blue light telephones connected directly to the police dispatch are located throughout campus.

BEHAVIORAL THREAT ASSESSMENT AND MANAGEMENT (BTAM)

The UAB and UAB Medicine Behavioral Threat Assessment and Management Team (BTAM) is an interdisciplinary team dedicated to maintaining a safe, secure, and healthy campus environment for all students, employees, and visitors. BTAM uses a structured, proactive process to identify, assess, and manage behavioral threats to campus safety and well-being. Concerning behaviors—such as a significant change in academic performance or conduct, aggressive or irrational behavior, expressions of severe distress, or inability to control anger—should be reported promptly. Non-emergency situations involving students may be reported through the Division of Student Affairs at (205) 975-9509 or via the online reporting form. For more information, visit the [UAB BTAM website](#).

UAB POLICE:

For an emergency, dial 911 *from a campus phone*. For non-emergencies call: 205-934-3535 or 205-934-HELP (4357) or 205-934-4434.

Emergencies affecting campus are communicated via the following:

- UAB Severe Weather & Emergency Hotline 205-934-2165
- [UAB home webpage](#)
- [UAB Emergency Management webpage](#)
- Announcements on [BlazerNET](#)
- Cell phone messages and SMS text via B-ALERT. [Register for B-ALERT online](#).

NONDISCRIMINATION STATEMENT:

UAB is an [Equal Employment/Equal Educational Opportunity Institution](#) dedicated to providing equal opportunities and equal access to all individuals regardless of race, color, religion, ethnicity, national origin, sex (including pregnancy), genetic information, age, disability, and veteran's status. As required by Title IX, UAB prohibits sex discrimination in any education program or activity that it operates. Individuals may report concerns or questions to UAB's Assistant Vice President and Senior Title IX Coordinator. [The Title IX notice of nondiscrimination is located online](#).

FERPA TRAINING

The Family Educational Rights and Privacy Act (FERPA) of 1974 provides protection for all educational records related to students enrolled in an educational program. UAB has a dedicated [FERPA website](#) with information about your rights and protection of your records. You may [email any questions or concerns about FERPA issues](#) to FERPA@uab.edu. All SHP students are required to complete FERPA Training. The course can be accessed at [THIS WEBSITE](#).

FINANCIAL AID

Financial Aid Counselors are available each day in the One Stop Student Services Office located in the Hill Student Center, [1400 University Blvd](#), Suite 103. If you have general

questions, you can contact the Office of Student Financial Aid at 205-934-8223 or [via email](#). For additional financial aid information [visit the UAB Cost & Aid website](#).

FOOD SERVICES

There are several dining facilities available on campus. The [campus dining map](#) can show you the closest to the SHP buildings. For additional information about meal plans and campus dining facilities [visit the Campus Dining website](#).

GRADUATE SCHOOL

The UAB Graduate School offers doctoral programs, post-master's specialist programs, and master's level programs. Graduate programs in SHP are coordinated through the Graduate School, and students must adhere to the Graduate School policies and procedures. Graduate School information for current students is available at [the UAB Graduate School website](#). Policies and Procedures for the Graduate School can be found in the [Graduate School Catalog](#).

GRADUATION

All students must complete an application for degree six months prior to graduating and no later than the deadline in the academic calendar. The University holds commencement every semester. Check the [UAB commencement website](#) for the most current information.

HEALTH INSURANCE

To ensure that all students have adequate health care coverage, including ongoing primary and specialty care, the University of Alabama at Birmingham (UAB) requires all students to have major medical health insurance. Students can provide proof of their own private coverage or be enrolled in the Student Health Insurance Plan. The plan is a 1-year commercial policy provided by United HealthCare and is re-negotiated annually. This policy is a comprehensive health insurance policy at an affordable cost that is specifically designed to meet the needs of UAB Students. If you are required to have insurance but have sufficient coverage on another plan and wish to opt out of the Student Health Insurance Plan, you are required to submit a waiver to Student Health Services at the beginning of every semester. More information including submitting a waiver can be found at the [UAB Student Health Insurance Waivers website](#).

HIPAA TRAINING

The Health Insurance Portability and Accountability Act (HIPAA) includes significant requirements for protecting individual privacy of health information. All students in the School of Health Professions must complete an online tutorial and be tested on HIPAA regulations at the time of program admission. A BlazerID is required to access the training site, located at [UAB Online Learning](#). Compliance with the training requirement is monitored by the Office of Academic and Faculty Affairs.

HONOR SOCIETIES

All students in the School of Health Professions are eligible for consideration for the Alpha Eta Honor Society. The UAB Chapter of this Society recognizes students registered in the final term

of a baccalaureate or graduate health professions program. Inductees must have a cumulative grade point average of 3.0 (4.0 = A) and be in the upper 10% of their program. Nominations are made by program directors in spring and summer terms.

IMMUNIZATION POLICY

To provide a safe and healthy environment for all students, faculty, and staff at the University of Alabama at Birmingham (UAB), first-time entering students, international students and scholars, and students in clinical & non-clinical programs, must provide proof of immunization against certain diseases, unless they have an approved medical or religious exemption. Full details can be found on the [UAB Immunizations webpage](#).

INSTITUTIONAL REVIEW BOARD FOR HUMAN USE (IRB)

Student researchers must comply with all requirements for protection of human subjects. Detailed information is available on the [IRB website](#).

INTELLECTUAL PROPERTY

Intellectual property refers to an asset that originated conceptually, such as literary and artistic works, inventions, or other creative works. These assets should be protected and used only as the creator intends. Training materials defining inventor status, patent criteria, and other intellectual property issues, as well as University Policies on Patents, Copyright, and Intellectual Property are on [the Office of Compliance & Risk homepage](#).

LACTATION CENTERS

The University has provided several lactation centers for students, faculty, and staff across the campus. Visit [the UAB Lactation Resources webpage](#) for a resource guide and a location map. The School of Health Professions' lactation room is in the Susan Mott Webb Nutrition Sciences Building at [1675 University Blvd](#), Room 431. Lactating students enrolled in the School of Health Professions have access to the room via their student ID/OneCard. If you cannot access the room, contact the building administrator, Julia Tolbert-Jackson at 205-873-5666.

LIBRARIES AND LEARNING RESOURCE CENTER

[UAB's libraries](#) house excellent collections of books, periodicals, microforms, and other media. Students have online remote access to catalogs and online collections. Computers are available for student use during regular hours of operation.

SHP LEARNING RESOURCE CENTER (LRC)

The School of Health Professions Learning Resource Center (LRC) provides a unique set of enterprise solutions that promote an exciting, intriguing, and innovative learning environment. It provides audio/visual support, and information technology management of public, classroom, and testing labs. The building is at [1714 9th Avenue South](#), and the SHP student space is on the second floor. You can contact LRC staff [via email](#) or via phone at 205-934-5146.

LISTER HILL LIBRARY OF THE HEALTH SCIENCES

[Lister Hill Library](#) (LHL) is the largest biomedical library in Alabama and one of the largest in the south. It is located [across the crosswalk](#) from the School of Health Professions.

MERVYN H. STERNE LIBRARY

[Mervyn H. Sterne Library](#) has a collection of more than one million items supporting teaching and research in the arts and humanities, business, education, engineering, natural sciences and mathematics, and social and behavioral sciences. It is located at [917 13th Street South](#).

UAB STUDENT CONDUCT CODE

The Student Conduct Code promotes honesty, integrity, accountability, rights, and responsibilities expected of students consistent with the core missions of the University of Alabama at Birmingham. This Code describes the standards of behavior for all students, and it outlines students' rights, responsibilities, and the campus processes for adjudicating alleged violations. Behavior that violates UAB standards of conduct listed within the Student Conduct Code and elsewhere will be subject to disciplinary action through the appropriate conduct process. Whether it is determined that an individual or group is responsible for the violation(s), either by direct involvement or by condoning, encouraging, or covering up the violation, appropriate response will occur with respect to the individual(s) and/or group involved.

[Undergraduate Non-Academic Policies](#)

[Graduate Non-Academic Policies](#)

ONE STOP STUDENT SERVICES

The mission of the One Stop is to provide a single point of professional integrated service to students. The One Stop serves students who need assistance with academic records, financial aid, registration, student accounting, OneCard, and other related topics. One Stop is located in the Hill Student Center, [1400 University Blvd.](#) Suite 103. You may contact the [One Stop](#) office by phone or email at 205-934-4300, 855-UAB-1STP (855-822-1787), [or via email](#).

PARKING

Student vehicles must be registered with [UAB Parking and Transportation Services](#), located at [608 8th Street South](#). Parking is allocated on a first-come, first-served basis. Parking fees are established by location, payable by semester or year, and are billed to the student's account.

PLAGIARISM AND TURNITIN

Plagiarism violates the Academic Integrity Code and will be addressed in accordance with it. All papers submitted for grading in any SHP program may be reviewed using the online plagiarism monitoring software. Please note that all documents submitted to [Turnitin](#) are added to their database of papers that is used to screen future assignments for plagiarism.

RECREATION CENTER

The [Campus Recreation Center](#) is located at [1501 University Blvd](#). A valid student identification card or membership card is required for access. Facilities include basketball courts, racquetball courts, weight rooms, swimming pools, exercise rooms, and indoor track.

SCHOOL OF HEALTH PROFESSIONS AWARDS

All students in the School of Health Professions are eligible for consideration for [the SHP Student Awards Program](#), which includes the following awards:

- Alfred W. Sangster Award for Outstanding International Student – This award is presented annually to an international student in recognition of their academic and non-academic achievements.
- Cecile Clardy Satterfield Award for Humanism in Health Care – This award is made annually to recognize one outstanding student for humanitarianism, professionalism, and commitment to health care.
- Charles Brooks Award for Creativity – This award is made annually in recognition of creative accomplishments such as written publications or artistic contributions which complemented the student's academic activities.
- Dean's Leadership and Service Award – Presented to a maximum of three outstanding SHP students annually, this award recognizes leadership to the School, UAB, and the community.

A call for nominations will be sent to program directors each year. Please refer to the program section of this handbook for awards available to students in individual programs.

SCHOOL OF HEALTH PROFESSIONS SCHOLARSHIPS

SHP has several scholarship opportunities for students enrolled in SHP programs. The Scholarship Committee, comprised of faculty from each department, reviews and selects awardees. Please go to [the SHP Scholarship Application webpage](#) for a list of scholarships and instructions for application.

Application announcements are made by the Office of Academic and Faculty Affairs. Many programs in SHP also have scholarships available to currently enrolled students in those programs. Please refer to the program section of this handbook for more information.

SCHOOL OF HEALTH PROFESSIONS SHARED VALUES

- Collaboration
- Compassion & Caring
- Excellence & Achievement
- Integrity
- Respect
- Service
- Social Responsibility
- Stewardship

SOCIAL MEDIA

Social media can serve as useful communication tools. However, health professions students should use the forums judiciously. For more information visit [the UAB Social Media Guidelines webpage](#). The school's official sites are on the following platforms:

- [Facebook](#)
- [Instagram](#)
- [LinkedIn](#)
- [Vimeo](#)
- [X/Twitter](#)
- [YouTube](#)

STUDENT HEALTH SERVICES

The University provides prevention, counseling, and treatment services to students through [Student Health Services](#) (SHS) located at [1714 9th Avenue South](#). Appointments may be scheduled via [their online portal](#).

TITLE IX

In accordance with Title IX, the University of Alabama at Birmingham does not discriminate on the basis of sex in any of its programs or services. The University is committed to providing an environment free from discrimination based on sex and expects individuals who live, work, teach, and study within this community to contribute positively to the environment and to refrain from behaviors that threaten the freedom or respect that every member of our community deserves. For more information about Title IX, policy, reporting, protections, resources, and supports, please visit [the UAB Title IX webpage](#).

TUITION AND FEES

[UAB tuition and fees are published online](#). They may be paid through BlazerNET. SHP programs have specific fees attached to programs, courses, and/ or laboratories. Payment deadlines for each semester are published on the official academic calendar. Please note that failure to meet payment deadlines can result in being administratively withdrawn from courses.

WEATHER

Severe weather situations that may affect the safety of students, faculty, and staff are communicated through the same channels as other emergencies. UAB has a dedicated [Preparedness webpage with Severe Weather Gathering Points and supply lists](#). Other information sources include the [B-ALERT System](#) (contact information must be setup and current) and the UAB Severe Weather & Emergency Hotline 205-934-2165.

WITHDRAWAL FROM COURSE / PROGRAM

Withdrawal from a course or from your program is an official process and should be discussed with your academic advisor and/or program director. Most programs in the School of Health Professions are full-time and the curricula specifically sequenced. Withdrawal from a course

may risk you having to wait to register for the class again. Withdrawals are made through the UAB registration system via the Student Resources tab in BlazerNET. Notice of program withdrawal should be given in writing to the program director. For more information [visit the UAB Add/Drop, Extended Drop and Withdrawal Policy webpage](#), which also includes a medical withdrawal policy.

SECTION 2 – SHP AND UAB POLICIES

SCHOOL OF HEALTH PROFESSIONS POLICIES

DISMISSAL OF STUDENT FOR FAILURE TO MAKE SATISFACTORY ACADEMIC PROGRESS

[Dismissal of Student and Appeal Process](#)

EMERGENCY PLAN – SHPB/LRC/WEBB

[SHPB/LRC/WEBB Emergency Plan](#)

BACKGROUND CHECK AND DRUG SCREEN POLICY

Students in SHP programs are required to undergo a background check and drug screen using the school's approved vendor, [Disa Healthcare Technology](#), at the time of program admission, and again, prior to placement in a fieldwork placement (clinical, internship, practicum, residency, etc.). Additional checks/screens may be required by the individual sites therefore; students should work with the program to ensure compliance requirements are met. Instructions for requesting the background check and drug screens are provided to students by their programs. Students in SHP undergraduate programs must complete a module on drug screening and background checks during their first semester. The module will be located in Canvas, UAB's learning management system.

The [SHP Office of Academic and Faculty Affairs](#) is responsible for ensuring student compliance with the Background Check and Drug Screen Policy throughout the program. Students found to be non-compliant with this policy will not be allowed to matriculate in the program (orientation, attend class, fieldwork placement, etc.) until all requirements are met. Program Directors, Fieldwork Coordinators, and students will be notified of non-compliance and a hold will be placed on the students' account.

- Fees for these screenings will be the responsibility of the student.
- The rules and regulations governing individual fieldwork placement sites may include additional provisions and/or more stringent guidelines which supersede this policy. Fees for these screenings are the responsibility of the student.
- Should your criminal background check contain issues, or if you fail a drug screen that may prevent you from receiving or sitting for board certification/licensure, a representative from the Office of Academic and Faculty Affairs will contact you. Depending upon the outcome, students will have a registration hold placed on their account until in compliance and this may result in being dismissed from the program. See your program's guidelines regarding specific consequences.

Programs requiring a criminal background check and drug screening by the end of the first semester of enrollment and again, prior to fieldwork placement (if applicable in the program requirements), are the following:

- Administration Health Services, PhD
- Biomedical Sciences to Biotechnology Fast Track
- Biomedical Sciences to Clinical Laboratory Science Fast Track

- Biomedical Sciences to Health Physics Fast Track
- Biomedical Sciences to Nuclear Medicine & Molecular Imaging Sciences Fast Track
- Biomedical and Health Sciences, MS
- Biotechnology, MS
- Biotechnology, PhD
- Dietitian Education Program, Graduate Certificate
- Genetic Counseling, MS
- Health Administration (Residential), MSHA
- Health Care Management to Healthcare Quality and Safety Fast Track
- Health Care Management to Health Informatics Fast Track
- Health Care Management to Occupational Therapy Doctorate Fast Track
- Health Physics, MS
- Medical Laboratory Science, MS
- Nuclear Medicine & Molecular Imaging Sciences, MS
- Nutrition Sciences, MS
 - Dietetic Internship Clinical Track
 - Dietitian Education Program
 - Research Track
- Nutrition Sciences, PhD
- Occupational Therapy, OTD – (entry level)
- Physical Therapy, DPT
- Physician Associate Studies, MSPAS
- Rehabilitation Science, PhD

The following students enrolled in SHP undergraduate programs will complete a learning module related to background checks and drug screens in Canvas, UAB's learning management system by the first semester of enrollment. If a fieldwork placement (clinical, internship, practicum, residency, etc.) is required, students must complete criminal background checks and drug screens prior to the first day of the semester of a fieldwork placement:

- Health Care Management, BS
- Biomedical Sciences, BS
- Nutrition Sciences, BS
- Disability Studies and Rehabilitation Science, BS

Programs waived from the Criminal Background Check and Drug Screening requirements are the following:

- Applied Mixed Methods Research, Graduate Certificate
- Biotechnology Regulatory Affairs, Graduate Certificate
- Clinical Informatics, Graduate Certificate
- Health Administration (International and Executive tracks), MSHA
- Health Informatics, MSHI
- Healthcare Finance Management, Graduate Certificate
- Healthcare Leadership, DSc

- Healthcare Leadership, Graduate Certificate
- Healthcare Quality and Safety, MS
- Healthcare Quality and Safety, Graduate Certificate
- Health Services Research, MS
- Healthcare Simulation, MS
- Healthcare Simulation, Graduate Certificate
- Nutrition for Community Health, Graduate Certificate
- Nutrition Sciences, MS
 - Clinical Track-Prior Learning
 - Lifestyle Management and Disease Prevention Track
- Low Vision Rehabilitation, Graduate Certificate
- Multi-Tiered Approach to Trauma, Graduate Certificate
- Occupational Therapy Doctorate (Post Professional)
- Physical Therapy Residencies (Neurologic, Orthopedic)
- Primary Care Physical Therapy for Underserved Populations, Graduate Certificate

Students enrolled in exempt programs who participate in a course(s) incorporating community, corporate or other high impact, out-of-classroom activities such as service learning, capstone projects or other hands-on learning experiences, may be required by placement sites to submit background check and drug screening results. Students are responsible for the fees associated with such screening.

DISA HEALTHCARE TECHNOLOGY INSTRUCTIONS

[Disa Healthcare Technology](#) is a secure platform that allows you to order your background check & drug test online. Once you have placed your order, you may use your login to access additional features, including document storage, portfolio builders and reference tools. Disa Healthcare Technology also allows you to upload any additional documents required by your school.

Order Summary

- Required Personal Information
 - In addition to entering your full name and date of birth, you will be asked for your Social Security Number, current address, phone number, and email address.
- Drug Test (LabCorp)
 - Within 24-48 hours after you place your order, the electronic chain of custody form e-chain will be placed directly into your CastleBranch account. This e-chain will explain where you need to go to complete your drug test.
- Payment Information
 - At the end of the online process, you will be prompted to enter your Visa or MasterCard information. Money orders are also accepted, but will result in a \$10 fee and additional turn-around-time.

Place Your Order

[Visit the website](#), click “place order” and choose the Disa CB platform (see logo screenshot below).

Enter package code AHO1 – Background Check and Drug Test. You will be required to enter your program under “Student Information” classification. You will then be directed to set up your Disa/CastleBranch profile account. This package code is for the following majors:

- Health Care Management
- Biomedical Sciences
- Biotechnology
- Biomedical and Health Sciences
- Genetic Counseling
- Health Administration – Residential (MSHA)
- Health Care Quality and Safety (not employees of health care organizations)
- Health Informatics
- Health Physics
- Medical Laboratory Sciences
- Nuclear Medicine and Molecular Imaging Sciences
- Occupational Therapy
- Physical Therapy
- Physician Associate Studies
- Rehabilitation Sciences

View Your Results

Your results will be posted directly to your Disa/CastleBranch profile account. You will be notified if there is any missing information needed to process your order. Although 95% of background check results are completed within 3-5 business days, some results may take longer. Your order will show as “In Process” until it has been completed in its entirety. Your school’s administrator can also securely view your results online with their unique username and password. If you have any additional questions, you may contact the Service Desk at 888-723-4263 x 7196 or submit a question [using the online contact us form](#).

ACCIDENTS / INJURIES OCCURRING ON CAMPUS:

All accidents/injuries occurring while involved in a program associated with the School of Health Professions are to be promptly reported to the faculty member in charge of class. Incident reports for accidents and injuries must be filed with the Department Administrative Office within 48 hours of the incident. Failure to report accidents or injuries within 48 hours of the incident may impact UAB's ability to address the accident or injury.

ACCIDENT / INJURY REPORTING PROCEDURE

When a student, visitor, faculty, or staff is involved in an accident or sustains an injury while involved in a program associated with the School of Health Professions, an accident / injury report is required. The faculty member in charge of the class where the injury occurs, or who is the first point of contact following the injury should download and complete this [Incident Report Form](#).

NEEDLESTICK/ BLOOD OR BODY FLUID EXPOSURES

When a student, visitor, faculty, or staff is involved in a body fluid or needlestick exposure while involved in a program associated with the School of Health Professions, they should follow the procedures on [the UAB Human Resources website](#). The faculty member in charge of the class where the exposure occurs, or who is the first point of contact following the injury should download and complete this [Incident Report Form](#).

UNDERGRADUATE AND GRADUATE VOLUNTEER RESEARCH:

Undergraduate or graduate volunteer students wanting to conduct research in a School of Health Professions laboratory should contact [Dr. Samantha Giordano-Mooga via email](#) for requirements.

SECTION 3: PROGRAM SPECIFIC INFORMATION

GRADUATE CERTIFICATE IN VISION REHABILITATION

PROGRAM OVERVIEW

INTRODUCTION

The Graduate Certificate in Vision Rehabilitation is a practice-oriented certificate program that prepares occupational therapists to work with individuals with visual impairment, including low vision and blindness. Students learn how vision loss from eye disease, neurological conditions, brain injury, and other causes can affect daily activities, safety, independence, and participation.

The program is designed for occupational therapists already working in vision rehabilitation, occupational therapists interested in starting or expanding vision rehabilitation services, and occupational therapy students or practitioners seeking additional preparation in this area. Coursework focuses on practical skills that can be used in occupational therapy practice, including screening, evaluation, intervention planning, environmental modification, compensatory strategies, assistive technology, advocacy, and collaboration with other professionals.

The program is offered in a flexible, web-based, asynchronous format. This allows occupational therapists and eligible students across the United States and other English-speaking countries to complete coursework while balancing work, school, and personal responsibilities.

Upon completion of the Graduate Certificate in Vision Rehabilitation, graduates are expected to be able to:

- Provide advanced screening and evaluation for individuals with visual impairment related to age-related eye disease, neurological conditions, blindness, and other causes of vision loss.
- Provide evidence-informed, occupation-based intervention for individuals with visual impairment, including low vision and blindness.
- Use clinical reasoning to support participation, independence, safety, and quality of life across home, school, work, and community settings.
- Advocate for occupational therapy practice, service delivery, and policy related to vision rehabilitation.
- Support education, program development, and sharing of vision rehabilitation content within occupational therapy and related professional settings.

MISSION, VISION AND VALUES

The mission of the Graduate Certificate in Vision Rehabilitation is to prepare occupational therapists and eligible occupational therapy students with the knowledge, clinical reasoning, and practical skills needed to support individuals with visual impairment, including low vision and blindness.

The vision of the program is to strengthen occupational therapy's role in vision rehabilitation by preparing practitioners who are confident, collaborative, and responsive to the needs of individuals with visual impairment.

The program values client-centered and occupation-based practice, accessibility, inclusion, collaboration, evidence-informed care, advocacy, and respect for the lived experiences of individuals with visual impairment.

OVERVIEW

The curriculum is designed with the working occupational therapist in mind. Coursework emphasizes practical application to occupational therapy practice. Course projects and assignments help students apply what they are learning to clinical, community, and educational settings. Materials needed to complete the program are available through online course resources, instructor-provided materials, and required texts.

FACULTY AND STAFF

The faculty and staff of the program are teachers, clinicians, scholars, researchers, and leaders who are committed to high-quality education, mentoring, and professional preparation. Program faculty have extensive experience in low vision clinical practice, blindness-related services, nonprofit and community-based vision rehabilitation, research, and national and international scholarship.

Faculty support students through teaching, applied learning activities, clinical reasoning development, and individualized mentoring. Their experience helps students understand how visual impairment, including low vision and blindness, affects daily life and how occupational therapy can support participation across clinical, community, educational, and interprofessional settings.

[Visit our website to see our faculty and staff.](#)

ADMISSIONS & ENROLLMENT REQUIREMENTS

CRITERIA AND REQUIRED MATERIALS

Students in the Graduate Certificate in Vision Rehabilitation must be able to meet the academic, communication, professional, and technical expectations required for successful completion of the program. These expectations help ensure that students can participate fully in coursework, complete required learning activities, and engage respectfully and effectively with faculty, classmates, clients, and community partners.

Students must be able to:

- Meet course standards and successfully complete required coursework throughout the curriculum.
- Read, write, speak, and understand English at a level needed for successful course completion and professional communication.
- Complete assigned readings, projects, discussions, assessments, and other course activities.

- Gather and use relevant information during client assessment, case-based learning, and clinical reasoning activities.
- Participate in evaluation and intervention activities required in the curriculum, including simulated, case-based, or direct performance activities as assigned.
- Apply critical thinking and clinical reasoning to coursework, assignments, and practice-based learning activities.
- Demonstrate interpersonal skills needed for respectful discussion, collaboration, and professional interaction with classmates, faculty, clients, and community partners.
- Maintain appropriate health and enrollment requirements as directed by [UAB Student Health Services](#) and the Department of Occupational Therapy.
- Follow all standards, policies, and procedures outlined by the University of Alabama at Birmingham, the School of Health Professions, the Department of Occupational Therapy, and the Graduate Certificate in Vision Rehabilitation.

Students are responsible for reviewing and following applicable policies in the Department of Occupational Therapy Student Handbook and other relevant UAB student handbooks or policy documents. Current student resources and handbook information are available through the [Department of Occupational Therapy website](#).

DEFERRAL POLICIES

Students who are admitted to the Graduate Certificate in Vision Rehabilitation may request to defer their start to a future semester. Deferrals are not automatic and must be approved by the Program Director.

Students who wish to defer should contact the Program Director as soon as possible to discuss their request, timeline for enrollment, and any potential impact on course sequencing or program completion.

TRANSFER CREDIT POLICIES

Students who believe they have completed graduate-level coursework that may be eligible for transfer credit should contact the Program Director for review.

If the coursework is determined to be potentially eligible, the student will be asked to complete the UAB Graduate School [Transfer of Credit form](#). Transfer credit is not guaranteed and must be reviewed and approved according to UAB Graduate School and program policies.

Students are encouraged to discuss possible transfer credit early, as approved transfer credit may affect course planning, sequencing, and program completion.

CONTINUOUS ENROLLMENT REQUIREMENTS

Students in the Graduate Certificate in Vision Rehabilitation are expected to maintain continuous enrollment according to [UAB Graduate School policies](#). Continuous enrollment helps students remain active in the program and supports appropriate course sequencing and progress toward certificate completion.

LEAVE OF ABSENCE, RE-ENTRY & WITHDRAWAL PROCEDURES

Students who need to pause or discontinue enrollment should contact the Program Director as soon as possible to discuss their situation and review available options.

Students are responsible for following [UAB Graduate School policies](#) related to continuous enrollment, leave of absence, re-entry, and withdrawal. A leave of absence, withdrawal, or return to the program may affect course sequencing, time to completion, and future enrollment planning.

Students should review the current UAB Graduate School policies and complete any required university forms or procedures before making changes to enrollment status.

DEGREE REQUIREMENTS

CREDIT HOURS

The Graduate Certificate in Vision Rehabilitation includes six 3-credit courses for a total of 18 graduate credit hours. Students are required to take courses in sequence because course content builds across the curriculum. The program includes coursework in low vision rehabilitation, neurological vision impairment, intervention approaches, advocacy and service delivery, and foundational concepts related to blindness rehabilitation.

The Graduate Certificate in Vision Rehabilitation may be completed as an independent graduate certificate or as a track within the Post-Professional Occupational Therapy Doctoral Program. When completed as part of the Post-Professional OTD Program, certificate coursework contributes to the elective content required for the doctoral degree.

CURRICULUM OUTLINE

[Visit the UAB Catalog website for course descriptions.](#)

Semester 1 – Fall

- OT 677 Foundations in Low Vision Rehabilitation, 3 credit hours

Semester 2 – Spring

- OT 679 Foundations in Low Vision Rehabilitation II, 3 credit hours

Semester 3 – Summer

- OT 690 Foundations in Low Vision Rehabilitation III, 3 credit hours

Semester 4 – Fall

- OT 680 Foundations in Blind Rehabilitation, 3 credit hours

Semester 5 – Spring

- OT 689 Foundations in Treatment of Visual Impairment from Brain Injury, 3 credit hours

Semester 6 – Summer

- OT 691 Foundations in Low Vision Rehabilitation IV, 3 credit hours

WEEKEND INTENSIVE

During the final semester of the program, students are required to visit the UAB campus for an intensive skills checkout. This occurs during OT 691 in the summer semester of Year 2.

Content covered during the weekend intensive may include evaluation and intervention for visual impairment related to age-related eye conditions, visual impairment related to brain injury, optics, assistive technology, and other applied vision rehabilitation skills. The weekend intensive is typically held during the first or second weekend in June. It generally begins on Saturday morning and ends on Sunday at noon.

The specific date and weekend agenda will be discussed with students in advance. Students who have a specific reason they cannot attend the weekend intensive should discuss this with the Program Director as early as possible. Excused absences may include circumstances such as significant travel limitations, health conditions that limit travel, or other approved circumstances. Exceptions must be approved by the Program Director. Alternative work may be assigned and may include activities such as case studies, video conferencing, intervention planning, skills demonstration, or other applied learning activities.

Students are responsible for meeting all [UAB immunization and health requirements](#) prior to attending the on-campus weekend intensive in OT 691. Because these requirements may take time to complete, students should begin reviewing and submitting required documentation no later than the semester before OT 691.

Failure to complete required immunization or health documentation by the university deadline may affect a student's ability to participate in the weekend intensive. Students should monitor UAB Student Health requirements and contact the Program Director as early as possible if they have questions or concerns.

CLINICAL ROTATIONS/INTERNSHIPS

All students are required to complete 16 hours of observation related to vision rehabilitation before graduating from the program. The observation assignment is due in the final course, OT 691, but students may complete observation hours at any time before taking OT 691.

Students may complete observation hours at one or more sites. Appropriate observation settings may include low vision rehabilitation clinics, blindness rehabilitation services, support groups, occupational therapy services, ophthalmology or optometry practices, VA vision rehabilitation services, community programs, nonprofit organizations, or other settings that represent some aspect of vision rehabilitation.

Support group attendance may count for up to 2 hours of the required observation experience.

Students are required to obtain signed verification of hours for each observation setting. After completing the observation hours, students will select one setting and complete the observation assignment using the approved course template.

ADVISING & MENTORING

ADVISOR/MENTOR ASSIGNMENT PROCESS

The Program Director serves as the primary advisor and mentor for students in the Graduate Certificate in Vision Rehabilitation. The Program Director supports students with course planning, program progression, questions about certificate requirements, and preparation for successful completion of the program.

Students may also receive guidance from course instructors and other program faculty throughout the curriculum. Faculty may provide mentoring related to course content, clinical application, professional development, research interests, or specific areas of vision rehabilitation practice.

CHANGING ADVISORS/MENTORS

Because the Program Director serves as the primary advisor for the certificate program, students who have concerns about advising or mentoring should first contact the Program Director to discuss their needs. When appropriate, the Program Director may help connect the student with another faculty member for additional guidance or mentoring based on the student's interests, goals, or specific area of need.

If a student has a concern that cannot be addressed directly with the Program Director, the student should follow applicable Department of Occupational Therapy, School of Health Professions, or UAB procedures for addressing academic or advising concerns.

EXPECTATIONS FOR FACULTY MENTORS AND STUDENTS

Students are responsible for monitoring their own progress through the program. This includes keeping track of courses offered each semester, following the required course sequence, reviewing completed and remaining credit hours, maintaining minimum GPA requirements, completing required forms, and meeting graduation application deadlines.

The Program Director and course faculty are available to support students with course planning, academic progress, professional development, and questions about program requirements. Students are encouraged to ask for guidance early when they have questions or concerns that may affect their progress in the program.

POLICIES & STANDARDS

ARTIFICIAL INTELLIGENCE TOOLS

Artificial intelligence tools, including AI text generators, writing assistants, and related technologies, may be useful for learning when used appropriately. These tools can help students brainstorm ideas, organize thoughts, review writing, summarize information, or identify areas where writing may need improvement.

Students should understand that AI-generated content is created by software and may include inaccurate information, incomplete information, biased language, or content that does not reflect the student's own understanding. AI tools should not replace the development of professional

writing, clinical reasoning, ethical decision-making, or critical thinking skills. These skills are essential for occupational therapy practice and for effective work in vision rehabilitation.

Students are responsible for following all course instructions related to the use of AI tools. In some courses or assignments, use of AI may be allowed; in others, it may be limited or prohibited. When AI tools are used, students should use them in a responsible and transparent manner consistent with course expectations, UAB policies, and academic integrity standards.

Students remain responsible for all work they submit. Submitted work should reflect the student's own thinking, learning, and professional judgment. Use of AI tools to complete assignments in a way that misrepresents the student's knowledge, effort, or authorship may be considered a violation of academic integrity policies.

EXPECTATIONS REGARDING ACADEMIC PROGRESS

Students are responsible for monitoring their own progress through the program. This includes keeping track of courses offered each semester, following the required course sequence, reviewing completed and remaining credit hours, maintaining minimum GPA requirements, completing required forms, and meeting graduation application deadlines.

The Program Director and course faculty are available to support students with course planning, academic progress, professional development, and questions about program requirements. Students are encouraged to ask for guidance early when they have questions or concerns that may affect their progress in the program.

Students must maintain a minimum 3.0 GPA in order to remain in good academic standing and graduate.

GRADE POLICIES

The Department of Occupational Therapy does not assign grades of "Incomplete" for failure to meet course assignment due dates, except when extraordinary circumstances prevent a student from completing required work. Examples may include severe illness, death in the family, or other significant and unexpected events.

Students who believe they may need an incomplete must discuss the situation with the course director as soon as possible. Any incomplete must be resolved, and a final grade assigned, according to university policy.

ACADEMIC PROBATION & DISMISSAL PROCEDURES

The Vision Rehabilitation Graduate Certificate program follows the [graduate school policies](#) regarding academic probation and dismissal procedures.

PROFESSIONALISM EXPECTATIONS

CONDUCT/INTEGRITY

Students are expected to conduct themselves in a professional and ethical manner throughout the Graduate Certificate in Vision Rehabilitation. This includes interactions with faculty, staff, classmates, clients, community partners, and other professionals.

Students are expected to follow the [American Occupational Therapy Association Code of Ethics](#). The AOTA Code of Ethics reflects the values and responsibilities of the occupational therapy profession and provides guidance for ethical behavior in education, research, practice, and service. It addresses professional responsibilities related to inclusion, participation, safety, well-being, respect, communication, and ethical decision-making.

The AOTA Code of Ethics serves two primary purposes:

- It identifies core values that guide ethical behavior in professional and volunteer roles.
- It outlines principles and standards of conduct expected of occupational therapy practitioners, educators, students, and members of the profession.

UAB Occupational Therapy faculty and students are responsible for learning about and upholding ethical standards in their academic, professional, and personal interactions. Students develop professional behaviors throughout the program and are expected to take these responsibilities seriously as they prepare for occupational therapy practice in vision rehabilitation and related settings.

FUNDING & FINANCIAL INFORMATION

TYPES OF FUNDING

The Graduate Certificate in Vision Rehabilitation does not guarantee graduate assistantships, fellowships, or scholarship funding for incoming students. Students with questions about financial aid should review [UAB Graduate School financial aid information](#) and contact the appropriate UAB financial aid office for guidance.

Mary Warren Scholarship

Students enrolled in the Graduate Certificate in Vision Rehabilitation may be eligible to apply for the Mary Warren Scholarship when funding is available. This scholarship is intended for occupational therapists enrolled in the program. Students from other professional backgrounds, including non-OT students, are not eligible for this scholarship.

Information about the scholarship application process, eligibility criteria, deadlines, and award timing will be shared with students by email when applications are being accepted. Scholarship awards are not guaranteed and are based on available funding and program review of eligible applications.
