All students in an MSPH, MS, DrPH, or PhD program are required to complete PUH 600: Overview of Public Health. PUH 600 is a required, free, non-credit course. The course must be completed in a single semester (Fall or Spring); students must complete the course by the end of their second semester in the program. Students who already possess a Bachelor of Public Health (BS) or a Master of Public Health (MPH) degree from an institution that was CEPH-accredited at the time their degree was awarded are exempt from this requirement.
